We feel incredibly lucky to be able to work with such an extraordinary cast who breathe new life into these iconic characters, while adding their own personal touches. To our crew, your commitment and hard work are the backbone of this production and of every One Act we present. We hope our rendition of this beloved show brings joy to your heart, makes you laugh, and maybe even have you craving a sandwich by the end! Sit back, relax, and enjoy our cast and crew's display of passion, effort, and teamwork. Thank you for joining us, and enjoy the show!

TAYLOR HOLLOWAY, DE'ANDRE NUGENT

Girl Meets World

Thank you to my amazing cast for all their time and hard work, to the crew, especially Publicity, for helping put together this show, and thanks to my amazing Assistant Director, Andre, for helping me put this show together.

JULES DUVE, A'LEEYAH WILLIAMS

Strawberry Shortcake

This production of Strawberry Shortcake has been so berry, berry sweet! I would like to thank my lovely cast for the hard work they have put into their roles. The show has been a team effort, and it wouldn't have come together without everyone! Thank you especially to my wonderful Assistant Director, A'Leeyah Williams. Her brilliant ideas and wonderful leadership contributed so much more to the development of this production than I could have ever imagined! The show portrays the importance of accepting others despite their differences. I hope this production will evoke a sense of nostalgia and belonging, both for those who watched Strawberry Shortcake growing up and for the new visitors in Strawberryland. And with that, please enjoy "The Costume Party!"

ANTHONY CZUCZUK, JEHMAR CAMPBELL

Brooklyn Nine-Nine

First, I would love to thank my wonderful cast for all the work they put into this one act and all their other shows. They've worked so hard on this show and I'm proud of all of them! I would also like to give my most sincere thanks to my Assistant Director, Jehmar, for helping me with this one act. It's so fun to work with you, man. Thanks for all your help. Enjoy the show, everyone!

CAMPBELL MARCHANT, AUSTIN KELLER

Inside Out

I am so thankful for all of the hard work this team has put in. Thank you to Austin for always taking my ideas and helping me explain them so they actually make sense. This cast has put in so much work for this show, and they continue to impress me every day. It is my hope that this show takes you on a rollercoaster of emotions and nostalgia. I hope you enjoy Inside Out!

PAYTON GLANDORF, LILY EADS

Ted Lasso

If you have ever seen Ted Lasso, then you will know what a fun and uplifting show it is. Coming into the SDOA, Lily and I knew that above all else, we wanted to capture that in rehearsals and the show itself. The cast has worked extremely hard over the past few weeks to not only put on Ted Lasso but to put on all the other one acts, and Lily and I could not be more proud. To Hazelrigg, thank you for all that you do. Thank you for giving us this opportunity to direct, and for letting me practice channeling my inner Hazelrigg. To the cast, thank you for all the work that you have poured into this show. I know that juggling multiple one-acts is no easy task, but you all make it look easy. Thank you for putting up with Lily and me, especially my north personality. You have truly done such an incredible job, and I could not imagine a better cast for one act. It has been such a pleasure to work with every one of you. Thank you all for coming to the show, and remember to believe in believe!

SAUL LAINEZ, SHAWN ADDISON

Clue

Hi, I'm Saul Lainez, the proud director of Clue. Clue has always been one of my favorite movies and I'm very happy with the cast I had to help bring my vision to life. I'm proud of all my cast for doing such great jobs in all their roles, both in my one act and other shows, they are in. I also want to shout out my Assistant Director, Shawn, who has been both my right and left-hand man throughout this entire process. Thanks to everyone for making this such a great experience.
